

2026 Spokane Festival of Speed Downtown Car Show

Join us Friday, June 5, 2026, from 4:00–8:00 p.m. to celebrate Spokane’s rich sports car racing history. Enjoy outstanding road cars from Porsche, BMW, and British marques, plus vintage racing cars from the 1950s, through the 1990s.

Cars will be displayed in front of River Park Square on Main Avenue (Lincoln to Wall) and on Post Street (Main to Riverside). If you’ve participated before, you know how great it is to see these downtown streets lined with beautiful cars.

The \$30 entry fee helps cover event costs and includes admission to the car corral at Qlispé Raceway Park on Saturday and Sunday (a \$20 value). You and your passengers receive full spectator access, parade laps at noon each day, and premier parking. Downtown entries are limited so don’t delay.

If you can’t make it for the downtown car show but want to see all the racing action on Saturday and Sunday, register for the car corral, details below.

2026 Spokane Festival of Speed Qlispé Raceway Car Corral

Join us Saturday, June 6, and Sunday, June 7, 2026, at Qlispé Raceway Park and bring your classic (or future-classic) sports car. For a single \$20

entry fee (good for both days), you and your passengers get full spectator access, parade laps at noon each day, and preferred parking.

Spokane has a long sports car racing history, and the Spokane Festival of Speed is a fantastic way to enjoy the sights and sounds of formula and sports cars from the 1950s through the 1990s, racing wheel-to-wheel on the regions only Grand Prix style road course.

Gates open at 9:00 a.m. each day, arrive early so you don't miss a minute of the action.

Registration for both of these events is at: <https://sovren.org/payments/>.
